In consultation with Stock Exchanges, it has been decided to standardize the lot size for derivative contracts on individual securities as under:							
Price Band (Rs.)	Contract Size						
	Lot Size						
> equal to 1601	125	> equal to 2					
801-1600	250	> equal to 2 < equal to 4					
401-800	500						
201-400	1000						
101-200	2000						
51-100	4000						
25-50	8000						
< 25	A multiple of 1000						
The Stock Exchanges shall review the lot size once in every 6 months based on the average of the closing price of the underlying for last one month and wherever warranted, revise the lot size by giving an advance notice of atleast 2 weeks to the market. If the revised lot size is higher than the existing one, it will be effective for only new contracts. In case of corporate action, the revision in lot size of existing contracts shall be carried out as per SEBI circular SMDRP/DC/CIR-15/02 dated December 18, 2002.
